Appreciation and thank you letter

On behalf of ADNOC Refining, I would like to express my sincere gratitude for your critical contributions during the repair of the Disulfides Separator as part of the RFCC and associated units at Ruwais Refinery. We commend your efforts, especially your dedication to execute this complex task safely and efficiently in just 17 days.

Many thanks to the M/s METALFAB team and leadership.

Regards,

Mr. Sultan Albigishi

Chief Executive Officer / ADNOC Refining
