## Subject: Appreciation and Thanks Letter

Dear Mr. Rafeeq,

We are writing this letter to extend our sincere appreciation for the successful completion of the fabrication of flare riser and associated equipment for Ethylene Plant.

We really appreciate your efforts and professionalism by which you have completed the project well ahead of time.

once again; we would like to thank you for such efforts, and would like to seize this opportunity to congratulate you for your hard work and dedication. we wish that you continue your spirit in the upcoming projects as well..

All the best and good luck ahead.

Yours sincerely,

Dr. Mohamed Yousef Al-Mulla Managing Director and CEO
